CAP  
AND  
PIN

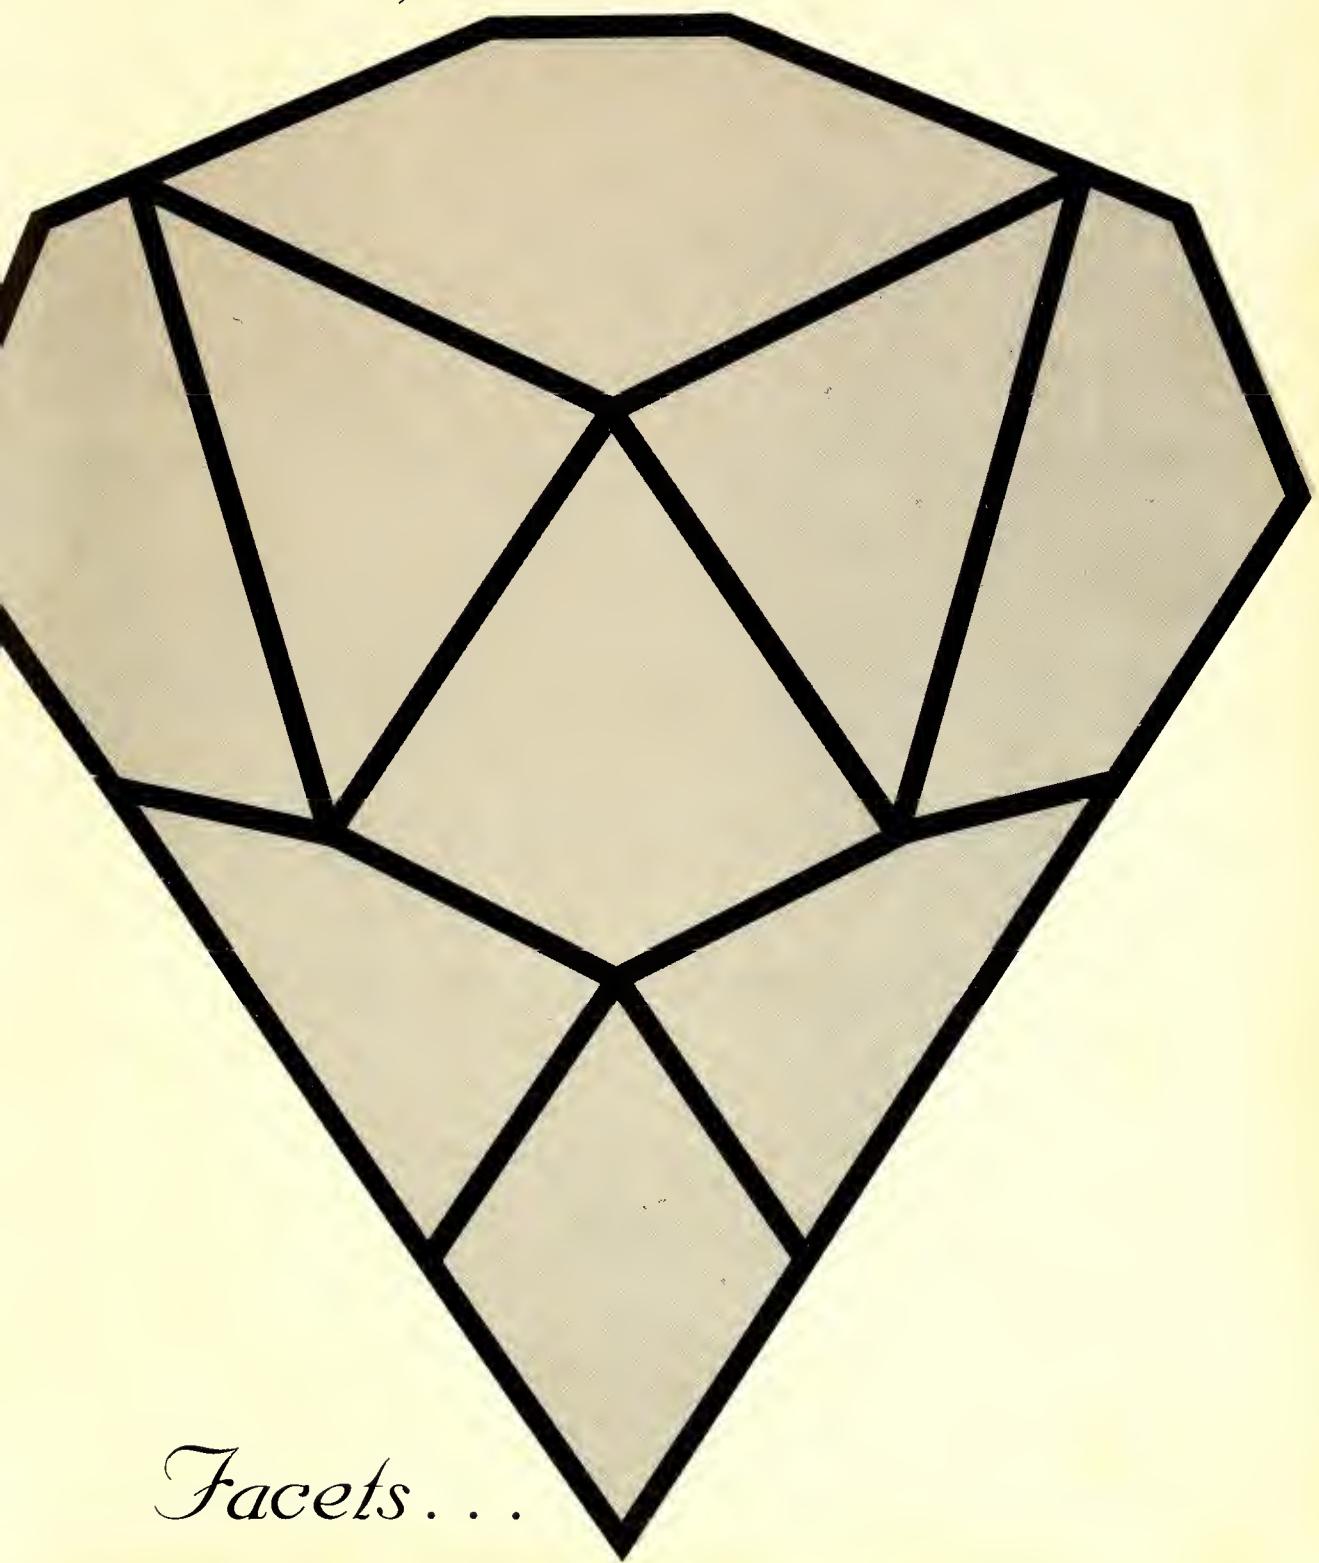

*The  
Cap and Pin Staff  
presents . . .*

*Facets . . .*

*After considering the fact that our life at C.M.H. School of Nursing is made up of many elements, the 1965 Cap and Pin Staff chose "Facets" as the theme. We strive herein...to emphasize these various facets of student growth...not only in scientific knowledge and physical strength...but in the strength of character, in wisdom, and in understanding our fellow students.*

*Finally, as a reminder, we point to graduation...a goal attained after years of hard work and tireless effort...and one that leads to a future whose brightness depends on you, the Student, a major facet of life at C.M.H. School of Nursing.*

## *Dedication*

For the three years that we have known you, you have given of your time, your patience, and your understanding to help us grow tall, strong, and courageous.

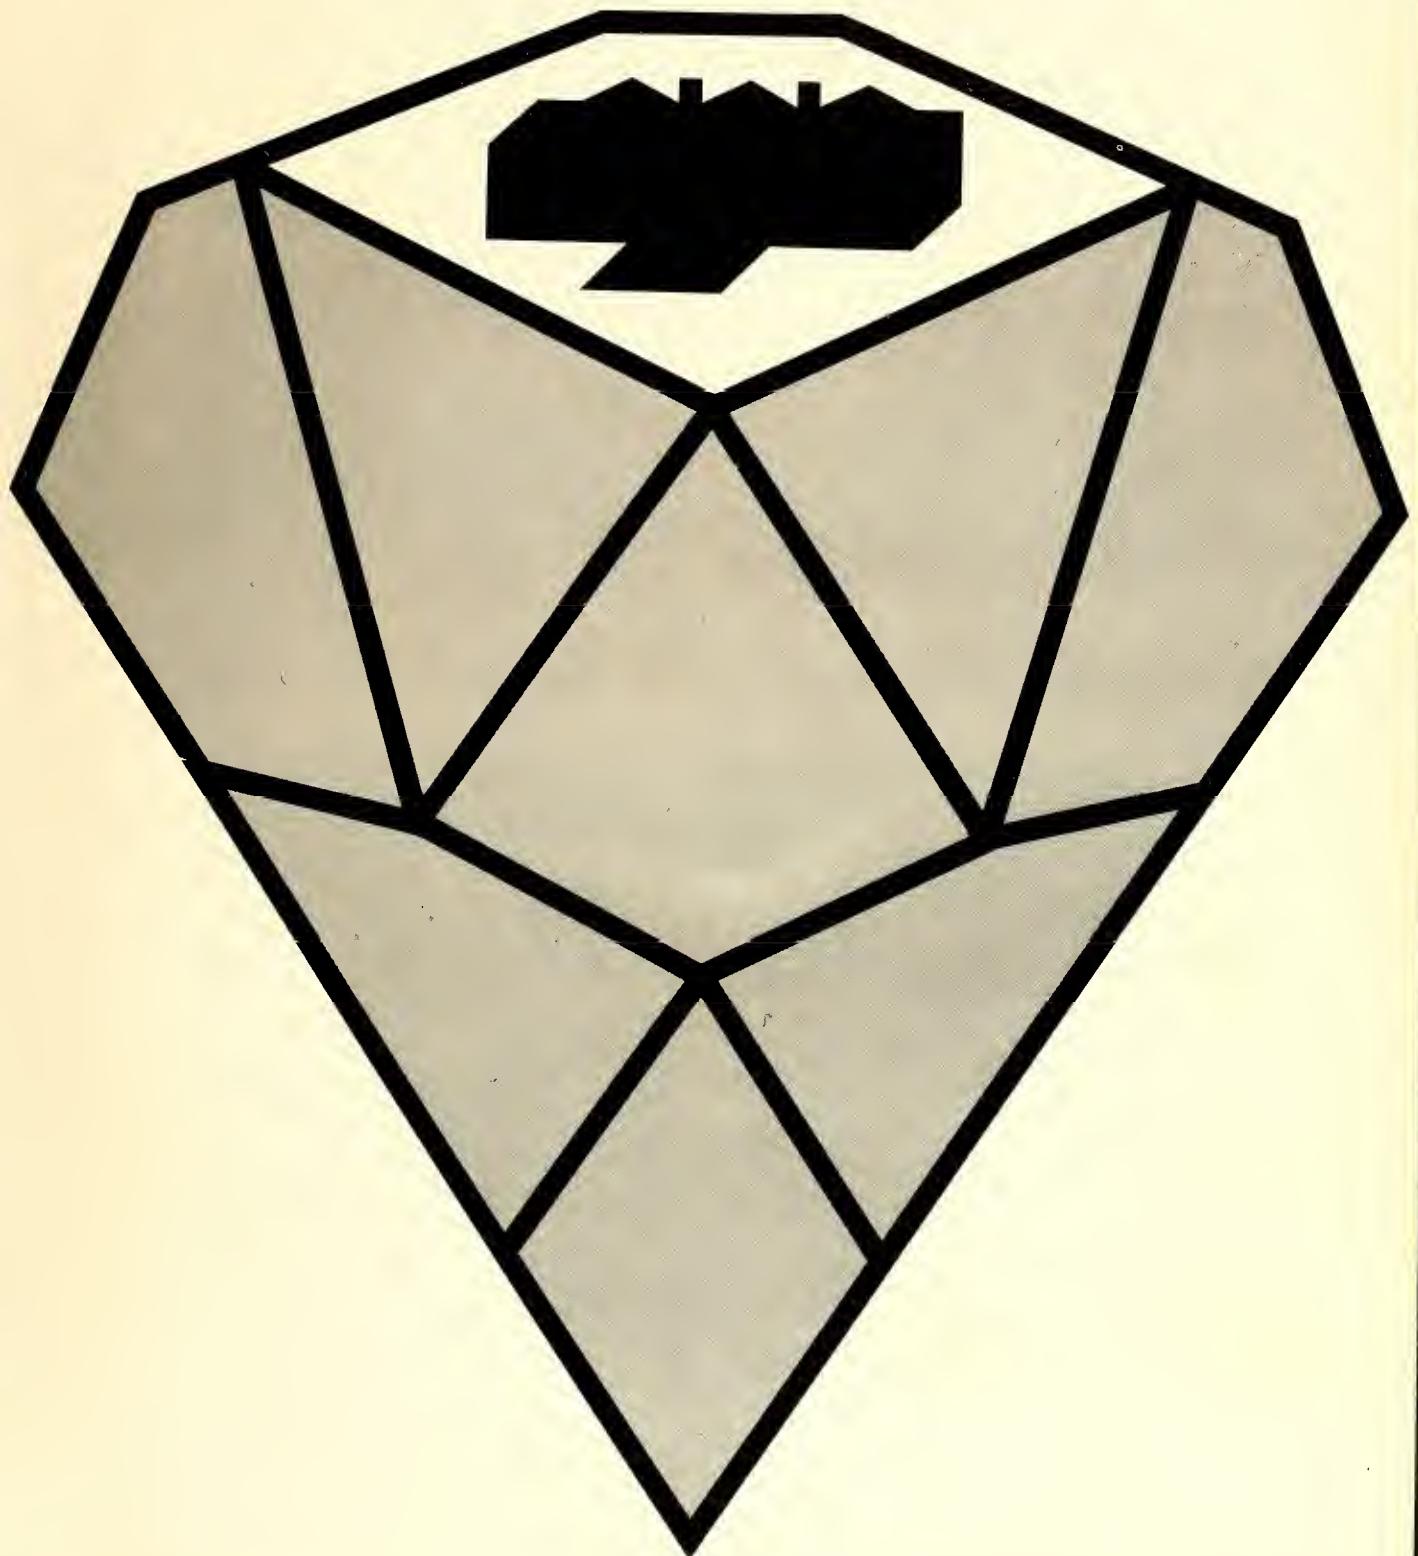

For three years, we have watched you practice the Christian philosophy which you teach and believe.

And during these years, you have been for us an inspiration and a living example of the goodness and integrity of man.

It is for this that we, the Class of 1965, proudly dedicate this edition of The Cap and Pin to you

Mr. Rudy Hardy
